This Competition is for people ages 15 and up. Contact race directors if you feel your son/daughter is qualified to compete in this triathlon yet under 15 years old. Special permission may be granted.

Race Director Comments:

To put on a Triathlon is a continual learning experience. While typing out the list of people involved in getting this event off the ground, I was amazed how the list grew and grew! It takes quite a crew of caring individuals to stage a quality Triathlon. The athletes themselves were a happy bunch. I've received many letters in the mail from participants telling me how they enjoyed this first Empire State Triathlon. Beyond the organizational agony, those letters lifted my spirit. Suggestions were offered by some competitors. Bob Fass of Monsey, NY suggested dividing the two largest divisions (20-29 & 30-39) into four groups. Since we had over 70 in each of those divisions, next year they will be divided into 20-24, 25-29 & 30-34, 35-39. Thanks for the idea Bob! Another suggestion was given by Larry Hatcher of New York City. He would like to see mile markers on the bike and run course. It's a great idea, we'll use it in 84!

The idea of a staggered swim start was a huge success. Having 10 heat groups of 30 competitors in each starting at one minute intervals was exciting to watch and I'm sure much easier and safer for the swimmers. Let's all push for more triathlons to do this. Mass swim starts are barbaric, dangerous and not swim-worthy.

This results booklet is another venture I hope more triathlons will offer. Individual split times, combined "competitive" times along with total triathlon times. Those are meaningful results. If you have time please let me know if you like this "Triathlon Results Booklet". I hope the wait was worth it!

The Empire State Triathlon will be held in August of 84. If all goes well and my schedule permits, I'll be helping out again. Thank you all, staff and competitors, for making 1983's Empire State Triathlon a joyous success.
