 Please Contact them if you have questions or complaints

Alumni: Just a short note to thank you for your participation in the 1988 Mighty Hamptons Triathlon, apologize for the delay in sending out results, and briefly update you on the 1989 event. This year was a transition year as we tried to incorporate our race into a whole program of local fitness events put on by Southampton Hospital. Because of the success of this "marriage" (thanks to you, the athletes), the Mighty Hamptons will become a focal point of FitHampton Week next year. More activities are planned and the best Mighty Hamptons yet is anticipated. The tentative date for the 8th Annual MHT is September 9.

We've delayed this mailing until now in hopes that a long range relationship between the Mighty Hamptons and the hospital could be worked out. Now that one has we are offering guaranteed entry to all alumni at a reduced rate. The form below is valid only until March 1, 1989. Your early entry fees go a long way in helping get the 1989 program off the ground successfully. Please support the Mighty Hamptons once again by entering early. (Note: If your plans change before March 1, 1989 you will be entitled to a full refund. Once the "official" application goes out in the early spring there are no refunds or transfers.)

Thank you for your anticipated continued support and we hope to see you on September 9, 1989. Incidentally, if you or your company would like information on becoming a sponsor, contributor, or product supplier to the Mighty Hamptons or to FitHampton please contact the Hospital Development Dept. at the address on the application.
