

## The Past We Can't Change... the Future We Can

This race supports The Burn Center at Saint Barnabas Medical Center, New Jersey's only dedicated burn treatment facility. This state-of-the-art facility is one of the largest in North America, caring for patients of all ages,

Each year more than 7000 individuals, including some of New Jersey's firefighters receive specialized medical treatment only available at The Burn Center.

Proceeds from this event also fund educational programs aimed at fire safety and prevention for business, communities, health care professionals and children.

### PROFESSIONAL FIREFIGHTERS ASSOCIATION OF NEW JERSEY

The Professional Firefighters Association of New Jersey (PFANJ) represents more than 3,500 active and retired professional fire fighters, EMS professionals, and support service personnel in the great state of New Jersey. The PFANJ is the Chartered State Association of the 300,000 member International Association of Fire Fighters (IAFF) and is affiliated with the AFL-CIO at the National and State Level, holding seats on both respective Executive Boards.

#### Our Mission

The mission of the PFANJ is to fight for members on the state level, lobbying and educating state officials on legislation that affects its members. The PFANJ also works to improve working conditions, training, equipment and benefits for fire fighters, EMS professionals, and support staff throughout New Jersey. The PFANJ is committed to pursuing a better quality of life for its members through legislative initiatives, such as presumptive heart and cancer laws, minimum staffing, strengthening collective bargaining laws, and protecting hard earned pensions upon retirement.
