The Isaac Hennessy/EC5K Headlines Eastern Christian Homecoming Weekend and is open to all!

This year, we renamed the event to honor Isaac Hennessy, a student at Eastern Christian Elementary School who was diagnosed with Duchenne's Muscular Dystrophy. As a community, we want to encourage and support Isaac and his family as they face the challenges of Duchenne's MD. To that end, this year we will share the proceeds of the 5K with the Muscular Dystrophy Association in Isaac's honor.

Eastern Christian's portion of the proceeds from the 5K will help fund EC's Athletic Program budget, benefiting the participants of all 27 athletic teams that we field each year.

All runners are encouraged to solicit individual sponsors for their run. Reach out to family, friends, and business associates for a pledge based on distance, time, or simple participation. Sponsor's donations can be made to The Foundation for ECSA.

WELCOME

Today we welcome you to Eastern Christian High School and to the Isaac Hennessy/EC5K. We are pleased that you have chosen to participate in our event. Our USATF Certified course is a challenging one with a great downhill finish. We have worked hard to make this a memorable event and hope that you will have a great race!

Established in 1892, Eastern Christian School has been a part of this community for 125 years. We are delighted to be holding our Annual 5K here in North Haledon, home to our High School and Administrative Offices. Special thanks to Mayor George and Chief Bracco, who helped to facilitate this event. Throughout our 125 year history, Eastern Christian has provided a quality Christian education to thousands of students. Today, we serve over 830 students in Pre-K through grade 12 on our three campuses in Midland Park, Wyckoff and North Haledon. At Eastern Christian, we believe that God is sovereign over all of creation and that our mission is to equip young people to lead lives of Christian vision and influence in His service. Our alumni lead and serve in Christian homes and churches, in business and industry, and in our communities, our nation, and around the world. They are a testimony to the foundation they have received at Eastern Christian School.
